

MISSISSAUGA

The City of Mississauga—population 700,000—is located right in the centre of the bustling action of southwestern Ontario.

Mississauga offers access to seven major highways, is 35 minutes from downtown Toronto and 90 minutes from Niagara Falls and the U.S. border.

Mississauga's scenic attributes include Lake Ontario and the Credit River. Measuring 311 km, Lake Ontario is the smallest of the Great Lakes, but is the 14th largest freshwater lake in the world.

The Credit River is 90 km long and merges with the shoreline of Lake Ontario. The Credit River, its tributaries, streams and creeks are also home to many species of wildlife.
